Bramhope Farmers or Producers Market

The market had a successful start in May 2008 and is now expected to be a regular event on the second Saturday of each succeeding month – June 10<sup>th</sup>, July 12<sup>th</sup> etc.

The market will be open to the public from 9.00am to 12noon and stallholders will be allowed to set up from 8.00am and will be expected to clear up, take their own waste away and leave the premises by 1.00pm.

Most stalls will be inside the hall, but an outside location can be arranged if the stallholder prefers. If the hall is full, then a stallholder may be asked to use an outside space.

Directions to Bramhope and our hall can be found on our website - [www.robertcraven.org.uk](http://www.robertcraven.org.uk), together with our terms and conditions.

Acceptance of these conditions is implicit by my application below for space. Please accept this application for space at £10 (plus £3.15 council tax) per stall.
